OVER THE WALL

+ a serious fun camp
+25+ years

25 YEARS OF *Over The Wall*

This year Over The Wall Children's Charity celebrates its 25th anniversary, having been founded in 1999 by Hollywood icon and philanthropist Paul Newman. Newman's goal was to support children with life-limiting illnesses and disabilities to experience our world of 'Serious Fun'. In the past quarter century, Over The Wall has supported more than 12,000 beneficiaries.

The UK member of the global 'SeriousFun Children's Network', Over The Wall provides completely free-of-charge residential activity camps, as well as online programmes, for children, their siblings and their families, living with the fear, pain and isolation of a serious illness.

All of this is only possible thanks to the support of our incredible partners, donors and sponsors, who have worked alongside us for many years, making such a meaningful impact to children and families from across the UK.

Please consider supporting our 2024 Gala Dinner and being a part of a very special year for this very special charity - supporting children like Kaya and Julia (left).

I'm not sure I can really describe what [camp] has meant to us. We will walk out of here tomorrow and maybe you won't realise how life-changing this has been. To see my daughter here, enjoying so many things, laughing, taking pride in being able to hit a target in archery, sharing her love of art with you. What you guys do here is amazing. The care and love we have been shown from the very moment we arrived here has just been beyond all expectation. To achieve so much in the short amount of time is testament to camp.

ABOUT *The Gala*

After the huge success of our 2023 Gala, raising in excess of £135,000, we have decided to celebrate our 25th anniversary in the same venue, London's spectacular Underglobe, with even greater ambitions!

In December last year we were joined by Jeremy Irons, Sinéad Cusack, and Zoe Wanamaker, alongside more than 200 guests, who each helped us create an incredible evening full of fantastic company, food, drink and fundraising. Hosted by the wonderfully energetic Abi Carter-Simpson, the evening went on into the small hours, finishing with dancing and delight as we partied into the start of the festive season.

Becoming a SPONSOR

This year, with even more to celebrate, our Gala will be an even bigger, more spectacular affair... with more to achieve. To do this, we need your support, and in return, we'll deliver an unforgettable event (with your name on it).

We are delighted to be able to offer exclusive and rewarding opportunities to partner your business with our event, providing measurable outcomes and real impact for Over The Wall. You will be able to connect with our high-value audience as well as achieving your own charitable commitments. Pledging your support to our event early secures your exclusive place as a Gala Sponsor and means that your business will be included in pre-event communications.

We have created a range of sponsorship options to show your support for our event and align to specific elements of the gala, as well as our Headline Sponsor opportunity. Our team are also happy to discuss custom opportunities to work with your business, and meet individual goals when partnering with our event...
