

# Your Journey to Residential Camp

OVER THE WALL CAMP

UK Children's Charity

A Healthcare Professional or Charity Member refers you to Over The Wall Camp

Head to [www.otw.org.uk](http://www.otw.org.uk) and click to apply

Over The Wall Camp will get in touch to tell you more about our camps and answer any questions you may have.

You create a profile for every family member attending, select the camp you want to apply for and complete the application forms. A Clinic Letter will need to be uploaded for the child with the health challenge.

Our assessment team will assess your application, and we will get a decision to you on the specific notification date mentioned in the email you received when you applied.

If this date has already past when you applied then applications will be assessed on an individual basis and so we will be back in touch as soon as your application has been assessed.

**THE DAY OF CAMP!**  
It's time to discover a world of mischief, magic and new possibilities!

Please note, that we have limited places available on each camp, but run a very active waitlist to ensure all camps run at capacity. **If you are offered a place and are not planning on attending, or your circumstances change and you can no longer attend, please tell us ASAP so we can offer the place to someone else.**
